1	Steve Reinacher	Becky McGinnis	1	2	1			1	1		1		1	1	1							Outdoor space for programming/leisure, we counted the art gallery and historical museum as a combined space that would also serve as additional multipurpose space.	Business pop-up, but that was answered
2	Nick Ketchum	Shelley	1	2	2				1	1	1	1	1	1		1	1		Storage	Outdoor Space			
3			2	1	2	1	1	1		1			1	1	1		1		Outdoor Space			Lots of windows, coffee shop should be a local vendor, use the same space for multiple purposes (use the art gallery to house a pop-up business, tech room could also be used for podcast recording or production features)	
4			1	2	2			1	1	2		1	1	1			1		Storage (1,200-3,999 sq ft)			Coffee shop must be for profit	
5			2	4	1				1		1						1	1	Add'l Multipurpose Spaces (801-1,199 sq feet)	2 add'l study rooms at 100 sq feet each	Covered outdoor education, playground, leisure area.	Add more comfortable seating in the library, so people can sit and relax and read.	We would like more information about parking. Will public transportation be available to those who need it? Additional computers
6	Sylvia	Sylvia	2	1	1				1	1	1		1		1	1	1		Add'l Multipurpose Spaces (1,200 - 3,999 sq feet)	Outdoor Learning and Space			
7	Rachel Hodges	Aiana Pepas	2	2	2			1	1		1						1		Add'l Multipurpose Spaces (801-1,199 sq feet)	Outdoor area possibly with a pergola, gardening, greenhouse. Also potentially integrate art into the community space			
8	Desiree Nelson		1	2	2			1	1	1	1		1	1				1				Combine the coffee shop and book sale/gift shop, Outdoor space adjacent to coffee shop. Perhaps landscaped by local org/rotery, etc. Also trying to change the cost on the makerspace and book/sale areas by 100k and 50k respectively.	Some of the basic library configurations. Collaboration room was not explained. Sensory room, is it for adults or children? Supervised? Liability questions. How will coffee shop make money? Probably charge a fee for some events at makerspace area. What is planned in the children's space?
9		Renee Kruep	1	2	1			1	1	1	1	1	1	1		1	1	1	Special Exhibit Space (100 sq feet)			Would like to see art incorporated throughout the pace rather than just a gallery. Love an outdoor space. Want the coffee shop to be for profit. May want to charge a usage fee for the makerspace area. They are curious what is planned for the children's space.
